OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 10 May 1967

25X1 [redacted] The Director advised that Senator Stuart Symington had called and wished some material for a speech he is making before a group of bankers in Missouri. The speech will discuss the Agency. The Director asked that I handle this.

25X1 [redacted] Miss Dorothy Fosdick called to say that Senator Henry M. Jackson wanted to know for his information whether [redacted] had violated any law in publishing an article contrary to his secrecy oath. I explained some of the problems in this area indicating that while technically he did violate the law that undoubtedly there could not be a successful prosecution. This seemed to satisfy Miss Fosdick for the moment.

25X1 [redacted] Talked with Mr. Blandford, House Armed Services Committee staff, who stated he was sure the Chairman would be interested to have the Director comment on the allegation in today's POST that the Agency supported the Basque operation in opposition to Franco.

25X1 [redacted] Mr. R. Jack Smith, accompanied by [redacted] and John S. Warner, met with Representative Glenard Lipscomb for about 45 minutes to discuss assistance to Lipscomb on [redacted] U.S. relationships. Mr. Smith gave a rundown on the situation pointing out that we learned of many of these problems by in effect looking over others' shoulders. Mr. Lipscomb was furnished with a recent TIME article on [redacted] and was told that we thought this was an excellent background article. In addition, we will prepare some additional unclassified items on some of the current issues. Mr. Lipscomb thought this would be most helpful.

25X1 [redacted] and John S. Warner met with Representative Ogden Reid for approximately an hour to give him a general current intelligence briefing. Mr. Reid was most appreciative.
